How long does delivery take?

We use FedEx Next Day Delivery for speedy service. Once we've received payment for the Proforma Invoice, we aim to have your Bewilderbeest goodies on the way to you within a couple of days.

Do you offer exclusivity?

We do not generally offer exclusivity* because it's very difficult to manage. However, we try to be mindful of where our existing stockists are, and if there are concerns over a local clash, please speak to us, and we'll do our best to help!
*Note, for some customers who place large orders very frequently, we do offer this - please speak to us for more information.

Do you have another stockist near me?

You can check our Stockist List on our website here:
<https://www.bewilderbeest.co.uk/stockists/>

Do you offer Sale or Return?

No, but we can reassure you that over 2/3 of our stockists place re-orders for our daft cards.... they'll sell like hot cakes!

What are your best sellers?

Please see the inside back cover for a full list of our best selling cards.

Do you offer Card Spinners?

Yes! You can either get a free spinner when you order 48 designs in 12s, or just pay £60 when you order 48 designs in 6s. See page 19 for the full info.

Are your cards eco friendly?

They are printed in the UK on FSC approved board. We also use recycled envelopes. You can choose to have the cards nested only (ie not wrapped in cello), just let us know when you order.

Can you send me images and barcodes of the cards?

Yes of course, please just email us: info@bewilderbeest.co.uk

How do you come up with your ideas?

Iain has a sketchbook full of daft ideas... often inspired by a funny phrase he's heard, or something silly he's seen, or sometimes just from the absurd world of his imagination! Only the best(!?) ones make it onto our cards... Count yourself lucky, because the rest of the team have to hear the REALLY bad jokes.

Do you sell anything else other than greeting cards?

Yes! You can get your mitts on our daft coasters, calendars and prints (see pages 26-36 for more info).

How tall is Iain?

Taller than the average bear at 6ft 8!
